

In recognition of Warrenton Clean Water Stewardship Programs, the Town of Warrenton is sponsoring a water conservation poster competition for elementary students in grades 1-5. The theme of the competition is:

“WHAT CLEAN WATER MEANS TO ME!”

Students representing future generations of Warrenton citizens are encouraged to show their support by learning about the importance of water, ways that water is wasted, ways to conserve water, and how to protect our water resources.

On Friday June 1st, the 5 winning submissions will be announced at the Town of Warrenton 1st Friday event.

Winning selections will be displayed on banners around the Town to raise awareness of the importance of clean water conservation in our environment.
